THE QUICKSILVER RANGE PERFECTLY BLENDS FUN AND STYLE WITH PRACTICALITY AND SAFETY

The water awaits.

Destined to delight your senses, Quicksilver Boats combine style that ignites your passion for adventure with the confidence of exceptional design. Set out to explore from sunrise to sunset with friends and family – limited only by your imagination.

Chart your course where you feel like you belong, at the helm with all the tech you want and none of the clutter. Treat yourself and your loved ones to comfort-focused cockpits and cruise-ready hulls designed by experienced naval engineers.

Take the plunge.

Live in the moment with a Quicksilver Boat, brought to you by the Brunswick Boat Group.

SMART EDITION: THE BEST WAY TO GET THE OPTIONS YOU NEED

People are different.

So why should every boat be the same?
We have designed our boats for optimal use, but we know that everyone has their own preferences. That's why we are introducing the Smart Edition.

The Smart Edition gives you what you need:
a variety of option sets that are most frequently requested by our customers. So you can be sure you get the options you want.

In addition to all of that you save an average of 10% when compared to ordering options separately and this edition is probably already available at your local dealer right now.

Welcome to the Weekend Range

It's your home away from home... on the water. Venture further joined by the people you care most about on a boat that knows no limits. It's as perfectly suited for hopping from one port to the next as it is dropping anchor for the night in a quiet bay. The Weekend range satisfies the free spirit with quarters for 4 to rest up for the next day.

Step through the sliding glass door from the aft deck to the cabin, but the 360-degree view remains in sight. Choose where you'd like breakfast – the convertible dinette or in the sea breeze on deck. Take creature comforts on every trip with an integrated galley and more. It's everything the pleasure-seeker could want.

905 Weekend

FUNCTIONAL ELEGANCE AT ITS BEST

The 905 Weekend is our largest, most elegant model yet, built on the cornerstones of safety, comfort, style and power.

Suited for 10 persons you can take it out to the sea, explore your local rivers or head out to your favourite fishing lakes. With the choice of an inboard or single and twin outboard engine configuration, you will have the power you need.

SAFETY

Designed for inland and offshore fun, the 905 keeps you and your loved ones safe. Enjoy a 360° view from the cabin and a dual-engine option to gain full control over your surroundings. The sliding door in the cabin, access from cockpit to bow, and walkthrough transom coupled with swim platforms provide safe movement around the entire boat.

COMFORT

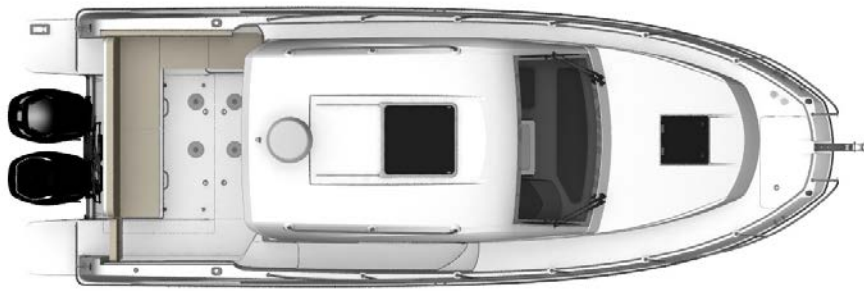

On the move or relaxing, the 905 Weekend is ready to go. Convert the cockpit bench seat to a dining area or sun lounge, and the foredeck doubles as a second sun lounge. Optional climate control is available to keep you comfortable. And the boat's large galley will help you prepare the perfect dinner out on the water.

DESIGN

The 905 Weekend has aesthetics, quality and classleading space to provide lasting value and the look and feel of a much larger boat. The pull-out shower compartment and sea water toilet are tastefully arranged while skylights provide natural light in the private master stateroom and aft stateroom.

VERSATILITY

Reconfigure your setup to match any occasion. The convertible, four-position dinette uses opposing and fold-away seating that can be changed into a U-lounge for entertaining. It also quickly changes into forward facing seating, or becomes an extra third berth when you're done for the day.

755 Weekend

EASY LIVING

The sporty, spacious and very individual 755 Weekend is a boat that's made for being on the water and makes every voyage an adventure. With room for nine people, the spacious dining area with galley makes those moments spent with family and friends, extra special.

While the private forward berth, mid berth and enclosed toilet are just part of the on-board comfort that makes the overall experience a real pleasure. With the outboard engine configuration with maximum 300 HP, you will have the power you need.

SAFETY

Safety is paramount, and stay in full control over your surroundings with a 360° view from the cabin and the power of a Mercury engine. You'll find well-placed handrails and a large access from cockpit to bow that provides safe movements. High freeboard and a non-skid surface make it a secure on-board environment for all ages.

COMFORT

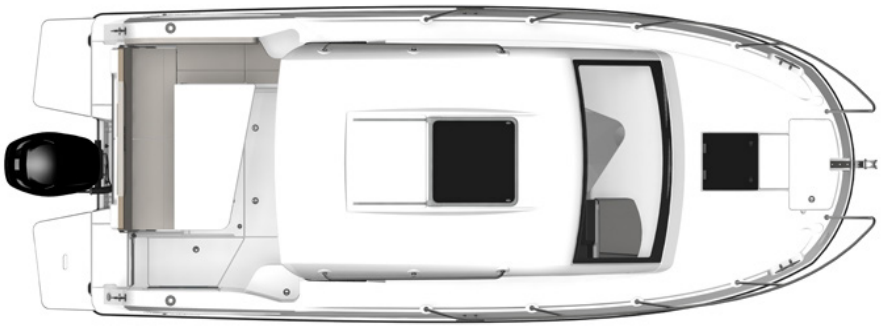

Switch around the sliding cockpit bench seat to a large dining area or to a sun lounge to suit your passengers' desires. Can't get enough of the sun? There is a second sun lounge on foredeck. Optional heating and aircon is available to maintain the desired temperature. And the spacious galley with stove and fridge ensure you've got dinner under control.

DESIGN

Styling, quality and class-leading space are key aspects for the 755 Weekend. The intelligent use of space gives you the impression you are on a much larger boat. The sea water toilet is tastefully arranged while hull side windows provide natural light in the private master stateroom and private aft stateroom.

VERSATILITY

Flexibility on the 755 Weekend makes life at sea a breeze. Socialize and dine, then convert the dinette to an extra third berth. The aft bench in the cockpit reclines so everybody can relax in a perfect position. And on top of that, the cockpit can be converted to a dining area and sun lounge.

705 Weekend

COMPACT AND COMPLETE

The 705 Weekend is the most compact model in the Weekend range. It's the only one that you can still transport on a trailer.

Also, its size makes it easier to find a mooring space in a marina. At the same time, it does fit 8 people and 2 can spend the night.

SAFETY

Navigation is easy and secure thanks to the reliable Mercury engine, hydraulic steering with SmartCraft instrumentation, and compatibility with the latest navigation technologies. Handling the boat is a breeze, and all boat and engine performance data are always on display.

COMFORT

The Quicksilver Weekend range equals comfort. Thanks to the full galley with sink, stove and refrigerator, have a lovely dinner at the indoors dinette or in the cockpit. In the lower deck, you'll find a spacious front berth for 2 and enclosed sea toilet with sink. Also, the optional enclosure and sun awning have you prepared for any kind of weather.

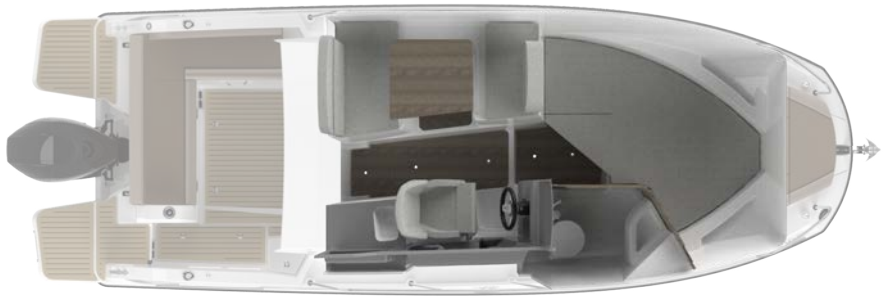

DESIGN

A lot of thought went into how to make the most of the available space. In the back, you just flip out the new sun lounge system without any extension pieces. Or you put the hinged back seat down, trading maximum cockpit space for room to tilt your engine out of the water.

VERSATILITY

Inside, the dinette with table can be converted into a forward-facing seating area or even into an additional berth. If you prefer to eat outside, simply add a table to the cockpit setup with its L-lounge seating that has an optional sun lounge extension, just like the bow area.

Key features

1. Foredeck sun lounge
2. 3-way convertible dinette
3. Fully equipped galley with sink, storage and optional LPG stove and refrigerator
4. Comfortable double berth
5. The versatile cockpit area is suitable for cruising and dining, or deploy the sun lounge for sunbathing and water access.
6. Large swim platforms. Single engine configuration from 150 up to 225 HP

Engine Specifications

Choose among our vast range of robust and powerful Mercury, Mercury Mercruiser or Mercury Diesel engines*, the most appreciated of all time. You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water. Moreover, you will benefit from a national and international network of dealers for service. Additionally, a five-year warranty programme is applicable for all eligible Mercury outboard engines*. The programme will be offered to owners of new Mercury outboard engines**. The warranty applies to Mercury Verado® and FourStroke engines purchased in Europe, the Middle East, Africa and the CIS region.

The five years of comprehensive factory-backed coverage includes labour for failures caused by defects in material or workmanship. What's more, the new warranty is transferable if the engine is sold within the five-year period. The warranty applies to recreational use only.
